Founded in 1977, WTS is an international organization dedicated to building the future of transportation through the global advancement of women. Boasting more than 6,500 members—including women and men—WTS is helping women find opportunity and recognition in the transportation industry. Through its professional activities, networking opportunities, and unparalleled access to industry and government leaders, WTS is turning the glass ceiling into a career portal.
Parking at the State Office Building in Waukesha can be a challenge. The visitor lot has limited spaces and state employees will need to sign in at the dock or be ticketed. Other parking opportunities are shown on the map below. Additionally, the downtown Waukesha parking guide and map can be found at:
